Competing across 28 varsity sports in the nation’s toughest Division III conference, our 500 student-athletes are some of Conn’s most visible and compelling ambassadors, competitors, leaders, and scholars.

But our student-athletes cannot succeed through grit alone. To compete at the highest level, they need the coaches, facilities, equipment, travel opportunities, and other resources to match the excellence they demand of themselves. And they need that support now.

The Camel Athletics Fund focuses our shared Conn passion for athletics achievement on boosting Camel competitiveness as never before. Because only with donor support will all the energy our student-athletes put into practices, drills, study sessions, and victory reap its greatest rewards.

With your gift to a fund that is central to Defy Boundaries, you will become part of a collective effort to upend the status quo, boost every team’s capabilities, and build success. All while fueling a lifetime of leadership and impact. Join us. ►

GOOD COACHING does not just stem from the wins and losses, but rather the ability to build a community through sport, help individuals on their team grow, and instill in them life lessons that they can then apply in their own everyday lives. I am thankful for the opportunity of being a part of the Men’s Lacrosse team here at Conn, and helping the program get back on a path of competitive success in the NESCAC.”
